

Holmes High School Graduation Requirements

All students must successfully complete 24 credits. These credits must include

English	4 Credits – English I, II, III, & IV
Mathematics	4 Credits - Algebra I, Algebra II, Geometry and a math elective (A math course must be completed each year of high school.)
Science	3 Credits – including Biology, Chemistry and one additional lab-based science course
Social Studies	3 Credits - 1 must be U.S. History
Physical Education	½ Credit
Health	½ Credit
Visual and Performing Arts	1 Credit May be fulfilled by any creative and performing arts full-credit course
Electives	8 Electives
Technology: Students must demonstrate competency in technology, either through a class or passing a certification exam. Most students will fulfill this requirement through a half-credit technology class.
