

## Infant / Toddler Activity #3

### Pots and Pans

### Cause and Effect

What You Need: A variety of pots, pans, boxes, cans, and jugs

A wooden spoon

A metal spoon

Directions: Provide a variety of materials and a couple of spoons for your child to hit and bang on. Talk about the sounds that are made by each one.

Words to Use: Small, big, loud, quiet, soft, hard

What Your Child Is Learning:

- Cause and Effect (what happens when I hit this?)
- Motor Skills: moving their hand, sitting up
- Eye-Hand Coordination
