

Infant and Toddler Activity #5

Stacking Blocks

What You Need: Empty Plastic Baby Food Containers
Paint
Construction Paper
Glue

Directions: Paint the insides of the containers with different patterns or glue decorations by cutting construction paper into the containers. When dry glue the containers closed.

What I Learn: Fine Motor Skills—stacking the blocks
Cause and Effect—Oops I knocked it down
Math—Position of Blocks; Counting Blocks

Words to Use: Up On Top Down
Below In Front Behind
Bottom Middle In Between
Numbers when counting, etc.
