

Infant and Toddler Learning Activity 6

What You Need:

- Whisk
- Different items that will fit in the Whisk

What To Do:

- Put items in the whisk.
- Give whisk to child to pull things Out.

Words To Use:

Colors In Out Pull Push Names of the objects in the Whisk
Whisk

What I Learn:

- Language: Names of items, directions
- Fine Motor Skills: Pulling the items out or trying to put them back
- Cognitive: How do I get that out?
