

**Holmes High School**  
**SBDM Council Policy**

<b>Curriculum POLICY</b> <b>Required Policy</b>
--

The curriculum at Holmes High School shall:

Foster mastery of the Kentucky Core Academic Standards as well as district and school standards by all students.

The curriculum shall align with practices recommended by the Kentucky Program Review process.

Be delivered through systematic, professional learning community-developed Instructional Focus Calendar, instructional activities, and assessment.

Use appropriate instructional technologies to support student achievement.

Be delivered through instructional practices consistent with the Holmes High School Improvement Plan, research-based best practice, and recommendations of the SBDM committees.

The teacher shall:

1. Disseminate the curriculum expectations for their classes to students in an age-appropriate way and to all parents.
2. Teach the state/national standards assigned for their particular area or areas.
3. Be prepared to contribute to discussions of needed changes in the curriculum.

The principal or designee shall:

1. Ensure that copies of the curriculum standards and expectations for the school are available for parent review.
2. Meet with each new teacher to review the curriculum that applies to that teacher's assignment.
